How To Pray for Missionaries

Relationships:

- Family, co-workers; both missionary and the national people that they are trying to reach.
- Supporting churches and individuals who give towards their work.

Resources:

- Financial support
- Ministry material that needed to do their work.

Resilience:

- That they would not grow weary in their work.
- That God would undergird them as they share the gospel in often difficult places.

Redemption:

- That the people they share the gospel with will come to a place of surrender and give their lives to Jesus.

Rest:

- That they would take time to have days off or vacation.
- That they would be able to be rejuvenated on a regular basis.
